Hundred Thousand Dollars (\$100,000.00) on account of bodily injuries to or death of one person, and Three Hundred Thousand Dollars (\$300,000.00) on account of bodily injuries to or death of more than one person as the result of any one accident or disaster, and Fifty Thousand Dollars (\$50,000.00) for property damage; and the Tenant will further deposit with the Landlord the policy or policies of such insurance or certificate thereof. RIGHT OF INSPECTION BY LANDLORD

The Tenant will permit the Landlord, its agents, employees and contractors to enter the premises and all parts thereof during normal business hours to inspect the same and to enforce or carry out any provision of this Lease.

ASSIGNMENTS AND SUBLETTING

The Tenant will not assign this Lease in whole or in part, or sublet any or all parts of the premises, without the written consent of the Landlord first obtained. Consent by the Landlord to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. The Landlord will not unreasonably withhold its consent to said assignment or sublease, but in any event, the Tenant shall remain fully and primarily responsible hereunder.

LIBER 5 PAGE 248
DESTRUCTION OF PREMISES

In the event that the premises hereby leased are damaged by fire or other casualty which prevents Tenant's occupancy, the Landlord shall repair or rebuild the damaged improvements to the extent of the insurance proceeds if the damage is less than total. In the event damage of the improvements is total or costs of repair are greater than casualty insurance proceeds payable to the Landlord, then Landlord may notify Tenant that the Lease is terminated during any period of damage, from the date of the occurrence of damage until repairs are completed. There shall be an abatement of rentals due from the Tenant during such period. In the event the Landlord is unable to effectuate repairs within ninety (90) days from the date of casualty, Tenant may terminate the Lease by written notice to the Landlord.

TERMINATION OF LEASE

This Lease and the tenancy hereby created shall cease and terminate at the end of the original term hereof, without the necessity of any notice from either Landlord or Tenant to terminate the same, unless option to renew Lease is exercised as set forth above.

In the event that Federal funding ceases to be available for the payment of the rent under this Lease, this Lease shall become null and void and the Tenant shall be liable for no future rents hereunder.

This Lease Agreement is binding upon and inures to the benefit of the respective parties, their heirs, personal representatives and/or successors and assigns. This Lease Agreement

contains the entire agreement between the parties hereto and
supersedes any written or oral declarations heretofore made by
either of them.

1. All costs and expenses of operating, repairing, lighting, cleaning, and insuring (including liability for personal injury, death and property damage and workmen's compensation insurance covering personnel) the Real Property or any part thereof, as well as all costs incurred in removing snow, ice and debris therefrom and of policing and regulating traffic with respect thereto, and depreciation of all machinery and equipment used therein or thereon;

Building Expenses shall not include the cost of capital improvements, as determined under sound accounting principles, or work which the Landlord performs specifically for and at the cost of any particular tenant.

(e) "Taxes" shall mean all real estate taxes, assessments, sewer rents, ad valorem charges, water rates, rents and charges, front foot benefit charges, and all other governmental impositions in the nature of any of the foregoing. If at any time during the Lease Term the method of taxation prevailing at the commencement of the term shall be altered so as to cause the whole or any part of the items listed in the first sentence of this subparagraph (e) to be levied, assessed or imposed, wholly or partly as a capital levy, or otherwise, on the rents received from the Building, wholly or partly in lieu of imposition of, or the increase of, taxes in the nature of real estate taxes issued against the Real Property, then the charge to the Landlord resulting from such altered method of taxation shall be deemed to be within the definition of "Taxes." If Landlord and Tenant cannot agree whether, or if so to what extent, there has been a change in the method of taxation within the meaning of the preceding sentence, then all such questions shall be submitted to a three member panel of arbitrators, one of whom shall be appointed by Landlord, one by Tenant and the third by the two arbitrators appointed by the parties. The arbitration proceeding shall be governed by the rules of the American Arbitration Association.

(f) "Real Property" shall mean the Building, the land upon which the same is situated and all fixtures, equipment and other improvements in or upon said land and/or Building, and includes adjacent sidewalks, area ways, gardens and lawns.

5.2. *Adjustments for Taxes.* In the event that the Taxes levied or assessed against the Real Property for any tax year commencing after the "Base Tax Year" are greater than the taxes attributable to the Base Tax Year, Tenant shall pay to Landlord, as additional rent during the rental year in which such tax increase takes place and during each rental year thereafter (subject to further adjustment in the event of other increases in Taxes), a proportionate part of such increase equal to Tenant's Proportionate Part of the Building. Any additional rent due Landlord under this Section 5.2 shall be due and payable within 30 days after Landlord shall have submitted a written statement to Tenant showing the amount due. For Tenant's obligation for such additional rent at the beginning or end of the Lease, see Section 5.3.

As of the date of this Lease, the tax year is a fiscal year commencing July 1. If the appropriate authorities shall hereafter change the tax year to a calendar year, or to a fiscal year commencing on a date other than July 1, appropriate adjustments shall be made in the computation of any additional rent due hereunder.

All reasonable expenses incurred by Landlord (including attorneys' fees and costs) in contesting any increase in Taxes or any increase in the assessment of the Real Property shall be included as an item of Taxes for the purpose of computing additional rent due hereunder.

5.3. *Adjustments for Expenses.* In the event that the Building Expenses for any year after the Base Expense Year are greater than the Building Expenses for the Base Expense Year, Tenant shall pay to the Landlord, as additional rent, a proportionate part of such increase equal to Tenant's Proportionate Part of the Building. Such additional rent shall be computed on a year-to-year basis. Any such additional rent shall be due within thirty (30) days after the Landlord has submitted a written statement to Tenant showing the amount due, together with a statement certified by a certified public accountant showing in reasonable detail the breakdown of Building Expenses for the calendar year on which the statement is based. Tenant shall have the right to examine Landlord's records with respect to any such increases in rent; provided, however, that unless Tenant shall have given Landlord written notice of exception to any such statement within ninety (90) days after delivery thereof, the same shall be conclusive and binding on Tenant.

Tenant's obligation to pay any additional rent accruing during the Lease Term pursuant to Sections 5.2 and 5.3 hereof shall apply pro rata to the proportionate part of a tax year, as to Taxes, and calendar year, as to Building Expenses, in which this Lease begins or ends, for the portion of each such year during which this Lease is in effect. Such obligation to make payments of such additional rent shall survive the expiration or sooner termination of the Lease Term, whether or not this Lease is superseded by a subsequent lease of the Leased Premises or of any other space; any such superseding lease shall not serve to supersede Tenant's obligation for any such additional rent unless it makes express reference thereto and recites that such additional rent is abated in consideration of the superseding lease.

5.4. *Payments.* All payments or installments of any rent hereunder and all sums whatsoever due under this Lease, shall be paid to Landlord at the address designated by Landlord, and if not paid when due, shall bear interest at the rate of ten percent (10%) per annum until paid. Time is of the essence in this Lease.

6. *Requirements of Law.* Tenant, at its sole cost and expense, shall comply promptly with all statutes, laws, ordinances, orders, regulations and requirements of the Federal, State and Local governments and any and all of their Departments and Bureaus, and of the Board of Fire Underwriters applicable to Tenant's use of the Leased Premises, for the correction, prevention and abatement of nuisances or violations in, upon or connected with the Leased Premises during the Lease Term and for the prevention of fires; provided, however, that Landlord and not Tenant shall make all structural changes and correct all structural defects in the Building necessary to comply with requirements of law, and make all repairs, changes or alterations necessary because the Building was not constructed in compliance with any of said statutes, ordinances, laws, orders, regulations or requirements.

7. *Certificate of Occupancy.* Tenant will not use or occupy the Leased Premises in violation of any certificate of occupancy, permit or other governmental consent issued for the Building. If any governmental authority, after the commencement of the Lease Term, shall contend or declare that the Leased Premises are being used for a purpose which is in violation of such certificate of occupancy, permit, or consent, then Tenant shall, upon five (5) days' notice from Landlord, immediately discontinue such use of the Leased Premises. If thereafter the governmental authority asserting such violation threatens, commences or continues criminal or civil proceedings against Landlord for Tenant's failure to discontinue such use, in addition to any and all rights, privileges and remedies given to Landlord under this Lease for default therein, Landlord shall have the right to terminate this Lease forthwith. Tenant shall indemnify and hold Landlord harmless of and from any and all liability for any such violation or violations.

8. *Contest-Statute, Ordinance, Etc.* Tenant may, after notice to Landlord, by appropriate proceedings conducted promptly at Tenant's own expense in Tenant's name and whenever necessary in Landlord's name, contest in good faith the validity or enforcement of any such statute, ordinance, law, order, regulation or requirement and may similarly contest any assertion of violation of any certificate of occupancy, permit or any consent issued for the Building. Tenant may, pending such contest, defer compliance therewith if, in the opinion of counsel for Landlord, such deferral will not subject either the Landlord or the Leased Premises or the Real Property (or any part thereof) to any penalty, fine or forfeiture, and if Tenant shall post a bond with corporate surety approved by Landlord sufficient, in Landlord's opinion, fully to indemnify Landlord from loss.

9. *Tenant's Improvements.* Except to the extent that Landlord is responsible for making improvements to the Leased Premises pursuant to Section 35 of this Lease, Tenant agrees that it will make such improvements to the Leased Premises as it may deem necessary at its sole cost and expense. However, Tenant shall not make any alterations, decorations, installations, additions or improvements to the Leased Premises, including but not limited to, the installation of any fixtures, amenities, equipment, appliances, or other apparatus, without Landlord's prior written consent, and then only by contractors or mechanics employed by Landlord. All such work, alterations, decorations, installations, additions or improvements shall be done at Tenant's sole expense and at such times and in such manner as Landlord may from time to time designate. All alterations, decorations, installations, additions or improvements made by either of the parties hereto upon the Leased Premises, except movable office furniture put in at the expense of Tenant, shall be the property of Landlord and shall remain upon and be surrendered with the Leased Premises at the termination of this Lease without molestation or injury.

10. *Condition of Premises.* Tenant will, during the Lease Term, keep the Leased Premises and the improvements and appurtenances therein in good order and condition, and at the expiration of the Lease Term, or at the sooner termination of this Lease as herein provided, deliver up the same in the same good order and condition as at the beginning of the tenancy, reasonable wear and tear excepted, and Tenant shall remove all of its property therefrom prior to such termination. Tenant will pay for all damage to the Building, its fixtures and appurtenances, as well as all damages sustained by the Tenant or occupants of the Building due to any waste, misuse or neglect of the Leased Premises, its fixtures and appurtenances, by Tenant, its employees or any other person or persons upon the Leased Premises by Tenant's permission. Tenant shall not place a load upon any floor of the Leased Premises exceeding the floor load per square foot area which such floor was designed to carry and which may be allowed by law. Landlord reserves the right to prescribe the weight and position of all safes, telephone switchboards, or other heavy equipment, and to prescribe the reinforcing necessary, if any, which in the opinion of Landlord may be required under the circumstances, such reinforcing to be at Tenant's expense. Business machines and mechanical equipment, if approved by Landlord in a separate written agreement between Landlord and Tenant, shall be placed and maintained by Tenant, or at Tenant's expense, in settings sufficient in Landlord's judgment to absorb and prevent vibration, noise, or annoyance and Tenant shall, at its expense, take such steps as Landlord may direct to remedy any such condition. There shall be no allowance to Tenant for a diminution of rental value, no abatement of rent, and no liability

on the part of Landlord by reason of inconvenience, annoyance or injury to business arising from Landlord, Tenant or others making any repairs, alterations, additions or improvements in or to any portion of the Real Property or Leased Premises, or in or to fixtures, appurtenances or equipment thereof, and no liability upon Landlord for failure of Landlord or others to make any repairs, alterations, additions or improvements in or to any portion of the Building or of Leased Premises, or in or to the fixtures, appurtenances or equipment thereof, and the foregoing shall not be construed to mean that Landlord has any such obligations.

11. *Conduct on Premises.* Tenant shall not do, or permit anything to be done in the Leased Premises, or bring or keep anything therein which will, in any way, increase the rate of fire insurance on the Building, or invalidate or conflict with the fire insurance policies on the Building, fixtures or on property kept therein, or obstruct or interfere with the rights of the Landlord or of other tenants, or in any other way injure or annoy Landlord or the other tenants, or subject Landlord to any liability for injury to persons or damage to property, or interfere with the good order of the Building, or conflict with the laws, rules or regulations of any Federal, State or Municipal authority, or the Maryland Fire Underwriters Rating Bureau. The Tenant agrees to save harmless the Landlord from any liability arising from injury to person or damage to property in, on or about the Leased Premises, whether occasioned by any act or omission of Tenant, or Tenant's customers, employees, visitors or invitees. Tenant agrees that any increase of fire insurance premiums on the Building or contents caused by the occupancy of Tenant and any expense or cost incurred in consequence of negligence or carelessness or the willful action of Tenant, Tenant's employees, agents, servants, or invitees shall, as they accrue, be added to the rent heretofore reserved and be paid as a part thereof; and Landlord shall have all the rights and remedies for the collection of same as are conferred upon the Landlord for the collection of rent provided to be paid pursuant to the terms of this Lease.

12. *Insurance.* Tenant hereby agrees to keep in full force and effect a policy of public liability and property damage insurance, naming Landlord as an insured, with respect to the Leased Premises and the business of Tenant in, on, within, from or connected with the Leased Premises, pursuant to which the limits of public liability shall be such amount as Landlord shall require but not more than \$500,000 per person and \$1,000,000 per occurrence, and in which the limit of liability for damage to property shall be not more than \$50,000. The policy shall contain a clause that the insurer will not cancel or change the insurance without first giving Landlord 10 days prior written notice. The insurance shall be carried with an insurance company approved by Landlord, and a certificate of insurance shall be delivered to Landlord at the inception of each policy and renewal thereof.

13. *Rules and Regulations.* Tenant agrees to be bound by the rules and regulations set forth on the schedule attached hereto as "Exhibit B", initialed by the parties and made a part hereof. Landlord shall have the right, from time to time, to issue additional or amended rules and regulations regarding the use of the Building. When so issued the same shall be considered a part of this Lease and Tenant covenants that said additional or amended rules and regulations shall likewise be faithfully observed by Tenant, the employees of Tenant and all persons invited by Tenant into the Building, provided, that said additional or amended rules are made applicable to at least a majority (on a square foot basis) of all tenants in the Building. Landlord shall not be liable to Tenant for the violation of any of the said rules and regulations, or the breach of any covenant or condition in any lease, by any other tenant in the Building.

14. *Mechanics' Liens.* Tenant shall not do or suffer to be done any act, matter or thing whereby Tenant's interest in the Leased Premises, or any part thereof, may be encumbered by any mechanics' lien. Tenant shall discharge, within ten (10) days after the date of filing, any mechanics' liens filed against Tenant's interest in the Leased Premises, or any part thereof, purporting to be for labor or material furnished or to be furnished to Tenant. Landlord shall not be liable for any labor or materials furnished or to be furnished to Tenant upon credit, and no mechanics' or other lien for labor or materials shall attach to or affect the reversionary or other estate or interest of Landlord in and to the Leased Premises, or the Real Property.

15. *Tenant's Failure to Repair.* In the event that Tenant fails, after fifteen (15) days' written notice from Landlord, to keep the Leased Premises in a good state of condition and repair, or commence and continuously make required repairs, or to do any act or make any payment required under this Lease or otherwise fails to comply herewith, Landlord may, at its option (but without being obliged to do so), enter upon the Leased Premises at all reasonable hours to make such repairs, or do any act or make any payment or compliance which Tenant has failed to do, and upon demand, Tenant shall reimburse Landlord for any such expense incurred by Landlord. Any moneys expended by Landlord, as aforesaid, shall be deemed additional rent, collectible as such by Landlord. All rights given to Landlord in this section shall be in addition to any other right or remedy of Landlord herein contained.

16. *Property - Loss, Damage.* Landlord shall not be liable for any damage to property placed in the custody of its employees, nor for the loss of any property by theft or otherwise. Landlord shall not be liable for damage or injury to person or property unless notice in writing of any defect (which Landlord has under the terms of this Lease the duty to correct) alleged to have caused such damage or injury shall have been given a sufficient time before the occurrence of such damage or injury reasonably to have enabled Landlord to correct such defect, and even then only if such damage or injury is due to Landlord's negligence; nor shall Landlord or its agents be liable for interference with the light, air, or other incorporeal hereditaments, nor shall Landlord be liable for any latent defect in the Building or its equipment. Tenant shall reimburse Landlord as additional rent for all expenses, damages or fines incurred or suffered by Landlord by reason of any breach, violation or nonperformance by Tenant, or Tenant's employees, agents or visitors, of any covenant or provision of this Lease, or by reason of damage or injury to persons or property caused by moving property of or for Tenant in and/or out of the Building, or by the installation or removal of furniture or other property of or for Tenant, or by reason of or arising out of the occupancy or use by Tenant of the Leased Premises or of the Real Property, or any part of either thereof, or from any other cause due to the carelessness, negligence or improper conduct of Tenant or Tenant's contractors, servants, employees, agents or invitees. Tenant shall not move any safe, heavy machines, heavy equipment, freight, bulky matter or fixtures into or out of the Building without Landlord's prior written consent. If such safe, machines, equipment, freight, bulky matter or fixtures require special handling, Tenant agrees to employ only persons holding a proper license to do said work, and that all work in connection therewith shall comply with any applicable Federal, State, County or other governing laws, rules or regulations. Notwithstanding said consent of Landlord, Tenant shall indemnify Landlord for and hold Landlord harmless and free from damages or injuries sustained by person or property and for any damages or monies paid out by Landlord in settlement of any claims or judgments, as well as for all expenses and attorney's fees, incurred in connection therewith and all costs incurred in repairing any damage to the Building or appurtenances.

17. *Destruction - Fire or Other Casualty.* In case of partial damage to the Leased Premises by fire or other casualty insured against by Landlord, Tenant shall give immediate notice thereof to Landlord, who shall thereupon cause damage to all property owned by it to be repaired with reasonable speed at expense of Landlord, due allowance being made for reasonable delay which may arise by reason of adjustment of loss under insurance policies on the part of Landlord and/or Tenant, and for reasonable delay on account of "labor troubles" or any other cause beyond Landlord's control, and to the extent that the Leased Premises are rendered untenable the rent shall proportionately abate, provided the damage above mentioned occurred without the fault or neglect of Tenant, Tenant's servants, employees, agents or visitors. But if such partial damage is due to the fault or neglect of Tenant, or Tenant's servants, employees, agents, or invitees, the damage shall be repaired by Landlord at Tenant's expense and there shall be no apportionment, or abatement of rent. In the event the damage shall be so extensive to the whole Building as to render it uneconomical, in Landlord's opinion, to restore for office building use and Landlord shall decide not to repair or rebuild the Building, this Lease, at the option of Landlord, shall be terminated upon written notice to Tenant and the rent shall, in such event, be paid to or adjusted as of the date of such damage, and the terms of this Lease shall expire by lapse of time and conditional limitation upon the third day after such notice

is mailed, and Tenant shall thereupon vacate the Leased Premises and surrender the same to Landlord, but no such termination shall release Tenant from any liability to Landlord arising from such damage or from any breach of the obligations imposed on Tenant hereunder, or from any obligations accrued hereunder prior to such termination.

18. *Eminent Domain.* If the whole or any part of the Leased Premises shall be acquired or condemned by Eminent Domain for any public or quasi-public use or purpose, then and in that event the term of this Lease shall cease and terminate from the date of title vesting in such proceeding, and Tenant shall have no claim against Landlord or against the total award for the value of any unexpired portion of the Lease Term or otherwise, and Tenant shall not be entitled to any part of any award that may be made for such taking, nor to any damages therefor except that the rent shall be adjusted as of the date of such termination of this Lease.

19. *Assignment.* Tenant covenants and agrees that the Leased Premises shall be used and occupied by Tenant only, for the purpose above mentioned, in a careful, safe and proper manner. Tenant, for itself, its heirs, distributees, executors, administrators, legal representatives, successors and assigns, expressly covenants that it shall not assign, mortgage or encumber this Lease, nor underlet, or use or permit the Leased Premises or any part thereof to be used by others, without the prior written consent of Landlord in each instance. If this Lease be assigned, or if the Leased Premises or any part thereof be underlet or occupied by anybody other than Tenant, Landlord may, after default by Tenant, collect rent from the assignee, undertenant or occupant and apply the net amount collected to the rent herein reserved, but no such collection shall be deemed a waiver of this covenant, or the acceptance of the assignee, undertenant or occupant as tenant, or a release of Tenant from the further observance and performance by Tenant of the covenants herein contained. Any levy or sale in execution or any assignment or sale in bankruptcy, or insolvency, or the appointment of a Receiver by a State or Federal Court shall be deemed an assignment within the meaning of this Section 19.

20. *Insolvency.* In the event that at the time of the execution of this Lease, or at any time thereafter until the termination thereof, a petition in bankruptcy shall be filed by or against Tenant or Tenant shall be adjudicated as bankrupt or insolvent, or a receiver or trustee shall be appointed of all or of a portion of Tenant's property, or Tenant shall make an assignment for the benefit of creditors, or Tenant voluntarily or involuntarily takes advantage of any debtor relief proceedings under present or future law, or if Tenant's effects shall be levied upon or attached under process against Tenant then, and in any of said events, this Lease, at the option of Landlord, may be cancelled and terminated, within 15 days after the happening of any one or more of such events comes to the attention of Landlord, by giving notice in writing to Tenant by registered mail addressed to Tenant at the address herein set forth. In such event, neither Tenant nor any person claiming through or under Tenant or by virtue of any statute or order of any court shall be entitled to possession or to remain in possession of the Leased Premises, but Tenant or any such person or persons shall forthwith quit and surrender possession thereof, and Landlord, in addition to any other rights or remedies which it may have by reason of any provisions of this Lease, or any statute or rule of law, may retain as liquidated damages any rent, security, deposit or money received by it from Tenant or from others in behalf of Tenant.

21. *Default.* Tenant covenants that if any one or more of the rents hereby stipulated to be paid shall at any time during the continuance of any tenancy created, or to arise in pursuance of this Lease, be more than five (5) days in arrears, or if Tenant shall default in performing or otherwise breach any of the covenants, conditions and agreements herein contained, other than the provision requiring the payment of rent, or if Tenant shall fail to move into or take possession of the Leased Premises within thirty (30) days after commencement of the Lease Term, then the said tenancy shall at once, and without notice of any kind, terminate and the said Landlord shall become and be entitled to immediate possession of the Leased Premises, provided Landlord shall so elect, but not otherwise. Landlord shall thereupon immediately have the full right of re-entry upon Leased Premises, by force or otherwise, if permitted by the applicable law now or

then in force, and that without formal notice or demand, and without liability of any kind; and also the right, but not the obligation, to re-let the Leased Premises for any unexpired balance of the Lease Term, and collect the rent therefor. In the event of such re-letting by Landlord, the re-letting shall be on such terms, conditions and rental as Landlord may deem proper, and the proceeds that may be collected from the same, less the expense of re-letting (including reasonable leasing fees and commissions and reasonable costs of renovating the Leased Premises), shall be applied upon the Tenant's rental obligation as set forth in this Lease for the unexpired portion of the Lease Term. Tenant shall be liable for any balance that may be due under this Lease, although Tenant shall have no further right of possession of the Leased Premises. Such re-letting shall not operate as a termination of this Lease, nor as a waiver or postponement of any right of Landlord against Tenant. Mention in this Lease of any particular remedy shall not preclude Landlord from any other remedy, in law or in equity. To the extent permitted by law, Tenant hereby expressly waives any and all rights of redemption, granted by or under any present or future laws in the event of Tenant being evicted or dispossessed for any cause, or in the event of Landlord obtaining possession of the Leased Premises, by reason of the violation by Tenant of any of the covenants and conditions of this Lease, or otherwise.

22. *Elevators, Heat, Cleaning.* As long as Tenant is not in default under any of the covenants of this Lease, Landlord shall, if and insofar as existing facilities permit: (a) provide necessary elevator service on business days from 8:00 A.M. to 6:00 P.M. and on Saturdays from 8:00 A.M. to 1:00 P.M. and have an elevator subject to call at all other times; (b) furnish heat or air conditioning to the Leased Premises, when and as required on business days from 8:00 A.M. to 6:00 P.M. and on Saturdays from 8:00 A.M. to 1:00 P.M.; (c) at Landlord's expense, cause the Leased Premises to be kept clean, provided the same are kept in order by Tenant. Landlord reserves the right to stop service of the heating, air conditioning, elevator, plumbing and electric systems, when necessary, by reason of accident, or emergency, or for repairs, alterations, replacements, or improvements, which in the judgment of Landlord are desirable or necessary to be made, until said repairs, alterations, replacements, or improvements shall have been completed. Landlord shall have no responsibility or liability for failure to supply heat, air conditioning, elevator, plumbing, cleaning, and electric service, during said period or when prevented from so doing by laws, orders, or regulations of any Federal, State, County or Municipal authority or by strikes, accidents, or by any other cause whatsoever beyond Landlord's control.

23. *Electric Current.* Landlord will furnish Tenant without additional charge throughout the Lease Term a reasonable amount of electric current for lighting purposes and for small items of office equipment such as dictating machines, typewriters, and copying machines only. Landlord shall be under no obligation to furnish electric power for the operation of any other electrical equipment or appliance unless the installation of such electrical equipment or appliance shall have been made pursuant to terms and conditions acceptable to Landlord and embodied in a separate written agreement between Landlord and Tenant.

24. *Fees and Expenses.* If Tenant shall default in the observance or performance of any term or covenant on Tenant's part to be observed or performed under or by virtue of any of the terms or provisions in this Lease, Landlord may immediately, or at any time thereafter and without notice, perform the same for the account of Tenant, and if Landlord makes any expenditures or incurs any obligations for the payment of money in connection therewith including, but not limited to, attorneys' fees in instituting, prosecuting or defending any action or proceeding, such sums paid or obligations incurred with interest and costs shall be deemed to be additional rent hereunder and shall be paid by Tenant to Landlord within five (5) days of rendition of any bill or statement to Tenant therefor.

25. *Several Liability.* If the Tenant shall be one or more individuals, corporations or other entities, whether or not operating as a partnership or joint venture, then each such individual, corporation, entity, joint venturer or partner shall be deemed to be both jointly and severally liable for the payment of the entire rent and other payments specified herein.

26. *Acceptance of Leased Premises.* Tenant shall examine the Leased Premises prior to taking possession thereof, and shall represent in writing to Landlord prior to taking possession if in any respect the Leased Premises are not in good order and repair. Tenant shall not occupy the Leased Premises before the premises comply with all requirements of Tenant and all obligations of Landlord with respect to the condition, order and repair thereof. Tenant's occupancy of the Leased Premises shall constitute acceptance thereof as complying with all requirements of Tenant and obligations of Landlord with respect to the condition, order and repair thereof.

27. *Inability to Perform.* This Lease and the obligation of Tenant to pay rent hereunder and perform all of the other covenants and agreements hereunder on the part of Tenant to be performed shall in no way be affected, impaired or excused because Landlord is unable to fulfill any of its obligations under this Lease or to supply, or is delayed in supplying, any service to be supplied by it under the terms of this Lease or is unable to make, or is delayed in making any repairs, additions, alterations, or decorations or is unable to supply, or is delayed in supplying, any equipment or fixtures if Landlord is prevented or delayed from so doing by reason of strikes or labor troubles or any outside cause whatsoever including, but not limited to, governmental preemption in connection with a National Emergency, or by reason of any rule, order or regulation of any department or subdivision of any government agency or by reason of the conditions of supply and demand which have been or are affected by war or other emergency. Similarly, Landlord shall not be liable for any interference with any services supplied to Tenant by others if such interference is caused by any of the reasons listed in this Section 27. Nothing contained in this Section 27 shall be deemed to impose any obligation on Landlord not expressly imposed by other sections of this Lease.

28. *No Waivers.* The failure of Landlord to insist, in any one or more instances, upon a strict performance of any of the covenants of this Lease, or to exercise any option herein contained, shall not be construed as a waiver, or a relinquishment for the future, of such covenant or option, but the same shall continue and remain in full force and effect. The receipt by Landlord of rent, with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach, and no waiver by Landlord of any provision hereof shall be deemed to have been made unless expressed in writing and signed by Landlord.

29. *Access to Premises and Change in Services.* Landlord shall have the right, without abatement of rent, to enter the Leased Premises at any hour to examine the same, or to make such repairs and alterations as Landlord shall deem necessary for the safety and preservation of the Building, and also to exhibit the Leased Premises to be let. If, during the last month of the term, Tenant shall have removed all or substantially all of Tenant's property therefrom, Landlord may immediately enter and alter, renovate and redecorate the Leased Premises, without elimination or abatement of rent, or incurring liability to Tenant for any compensation, and such acts shall have no effect upon this Lease. Nothing herein contained, however, shall be deemed or construed to impose upon Landlord any obligation, responsibility or liability whatsoever, for the care, supervision or repair, of the Building or any part thereof, other than as herein elsewhere expressly provided. Landlord shall also have the right at any time, without the same constituting an actual or constructive eviction and without incurring any liability to Tenant therefor, to change the arrangement and/or location of entrances or passageways, doors and doorways, and corridors, stairs, toilets, elevators, or other public parts of the Building, and to change the name by which the Building is commonly known and/or its mailing address.

30. *Estoppel Certificates.* Tenant agrees at any time and from time to time upon not less than 5 days' prior notice by Landlord to execute, acknowledge and deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications) and the dates to which the rent and other charges have been paid in advance, if any, and stating whether or not to the best knowledge of the signer of such certificate Landlord is in default in performance of any covenant, agreement or condition contained in this Lease and, if so, specifying each such default of which the signer may have knowledge, it being intended that any such statement de-

livered hereunder may be relied upon by third parties not a party to this Lease.

31. *Subordination.* Tenant accepts this Lease, and the tenancy created hereunder, subject and subordinate to any mortgages, overleases, leasehold mortgages or other security interests now or hereafter a lien upon or affecting the office building or the office building area or any part thereof. Tenant shall, at any time hereafter, on request, execute any instruments or leases or other documents that may be required by any mortgagee or mortgagor or over-landlord for the purpose of subjecting or subordinating this Lease and the tenancy created hereunder to the lien of any such mortgage or mortgages or underlying lease, and the failure of Tenant to execute any such instruments, releases or documents shall constitute a default hereunder.

32. *Attornment.* Tenant agrees that upon any termination of Landlord's interest in the Leased Premises, Tenant will, upon request, attorn to the person or organization then holding title to the reversion of the Leased Premises (the "Successor") and to all subsequent Successors, and will pay to the Successor all of the rents and other monies required to be paid by the Tenant hereunder and perform all of the other terms, covenants, conditions and obligations in this Lease contained; provided, however, that if in connection with such attornment Tenant shall so request from such Successor in writing, such Successor will execute and deliver to Tenant an instrument wherein such Successor agrees that so long as Tenant performs all of the terms, covenants and conditions of this Lease, on Tenant's part to be performed, Tenant's possession under the provisions of this Lease shall not be disturbed by such Successor.

33. *Notices.* All notices, demands and requests required under this Lease shall be in writing. All such notices, demands and requests shall be deemed to have been properly given if sent by United States registered or certified mail, postage prepaid, ad-

dressed (i) if to the Landlord at 401 Washington Avenue Towson, MD 21204, or (ii) if to Tenant at the Leased Premises.

Any party may designate a change of address by written notice to the above parties, given at least 10 days before such change of address is to become effective.

If Landlord exercises this right, the written notice to Tenant shall include a drawing showing the size and location of the new premises. If Tenant does not send Landlord written notice of its disapproval of the proposed relocation within said sixty (60) day period, Tenant shall be conclusively presumed to have approved the same. If Tenant shall send a notice disapproving the proposed relocation during said sixty (60) day period, then Landlord, at its option, may (i) rescind the notice of relocation (in which event this Lease shall continue to the same extent as if no such notice had been sent), or (ii) terminate this Lease upon sixty (60) day's written notice (in which event the rights of the parties shall be the same as if the Lease had terminated by expiration of the Lease Term). Landlord shall make its election within ten (10) days following the first said sixty (60) day period and shall give Tenant written notice thereof specifying its election.

~~35. *Tenant's Space.* Attached hereto as Exhibit "G" is a copy of Landlord's "Tenant Improvements," specifying the manner in which, at Landlord's expense, Landlord is willing to finish the Premises. ~~reasonable promptness after the signing of the Lease and there-
after duly completed.~~

36. *Partners' Liability.* It is understood that Landlord is a Maryland limited partnership. All obligations of the Landlord hereunder are limited to the net assets of Landlord from time to time. No General or Limited Partner of Landlord, or of any successor partnership, whether now or hereafter a partner, shall have any personal responsibility for the obligations of Landlord hereunder.

37. *Separability.* If any term or provision of this Lease or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease or the application of such term or provision of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

38. *Captions.* All headings anywhere contained in this Lease are intended for convenience of reference only and are not to be deemed or taken as a summary of the provisions to which they pertain or as a construction thereof.

39. *Brokers.* Tenant represents that Tenant has dealt directly with, and only with, W. C. PINKARD & CO., INC. as broker in

connection with this Lease, and that insofar as Tenant knows, no other broker negotiated this Lease or is entitled to any commissions in connection with it.

40. *Recordation.* Tenant covenants that it will not, without Landlord's prior written consent, record this Lease or offer this Lease for recordation. If at any time Landlord or any mortgagee of Landlord's interest in the Leased Premises shall require the recordation of this Lease, such recordation shall be at Landlord's expense. If at any time Tenant shall require the recordation of this Lease, such recordation shall be at Tenant's expense. If the recordation of this Lease shall be required by any valid governmental order, or if any governmental authority having jurisdiction in the matter shall assess and be entitled to collect transfer taxes or documentary stamp taxes, or both transfer taxes and documentary stamp taxes on this Lease, Tenant will execute such acknowledgements as may be necessary to effect such recordations and pay, upon request of Landlord, one half of all recording fees, transfer taxes and documentary stamp taxes payable on, or in connection with this Lease or such recordation.

41. *Successors and Assigns.* The covenants, conditions and agreements contained in this Lease shall bind and inure to the benefit of Landlord and Tenant, and their respective heirs, distributees, executors, administrators, successors and, except as otherwise provided in this Lease, their assigns.

Bel Air, Maryland

OFFICE BUILDING LEASE

THIS AGREEMENT, Made this 26th day of April ~~December~~, 1975, by and between BEL AIR ASSOCIATES, a Maryland limited partnership (hereinafter referred to as "Landlord"), and HARFORD COUNTY, MARYLAND (hereinafter referred to as "Tenant").

WITNESSETH, that Landlord does hereby lease unto Tenant and Tenant does hereby rent from Landlord the premises indicated on the plan attached hereto as Schedule A and made a part hereof in the third story of the office building of Landlord located at Main Street & Baltimore Pike, Bel Air, Maryland, to be used and occupied by Tenant as Register of Wills Office and for no other purpose, for the term of Three years to commence on the 1st day of April, 1976 and to terminate on the 31st day of March, Eleven Thousand Nine Hundred 19 79, at the annual rent of \$11,952.00 (Fifty-Two Dollars), payable in equal monthly payments, in advance, on the 1st day of each and every month in each year during the term of this lease, commencing April 1, 19 76, to Landlord, or to the duly authorized Agent of Landlord, at its office during business hours.

The lease made pursuant to this Agreement is subject to the following terms and conditions, each and every one of which Tenant, and the heirs, personal representatives, successors and assigns of Tenant, covenant and agree to with Landlord, its successors and assigns, to keep and perform.

Section 1. There has been signed and attached hereto by the parties as Schedule A a plan of the premises leased hereunder. Tenant shall have no right of occupancy or use of any other or additional space for itself, or in common with others, in the office building, the parking area or land area held by Landlord at this location except as specifically provided in Section 3 hereof.

Section 2. There has been signed by the parties and attached hereto as Schedule B a summary of the condition and furnishings of the premises leased by Tenant. It is understood that Landlord has no duty to alter the condition of the premises or supply furnishings otherwise than as described in Schedule B, and the premises shall be deemed ready for occupancy at such time as the conditions and furnishings specified exist.

Section 3. In addition to the leased premises, Tenant shall have the right of nonexclusive use, in common with others of (a) automobile parking areas in which 4 spaces have been allotted to Tenant at a monthly rental, payable in advance, of \$ 0 per space, (b) driveway and footways, (c) rest rooms, (d) elevators, (e) loading facilities, (f) passages, halls and stair cases and such other facilities as may be necessary to the reasonable occupancy by Tenant of the demised

premises subject to the Rules and Regulations specified in this Agreement or as they may be amended from time to time by Landlord.

Section 4. In the event that the real estate taxes paid by Landlord with respect to the entire premises owned or leased by it at Main Street & Baltimore Pike and occupied by the office building, parking lot and landscaped area are increased by state, county, municipal or other taxing authorities, due to a tax rate in excess of \$ ~~3.69~~ per \$100 valuation, or due to an increase in the assessed valuation of said premises in the fiscal year of such taxing authority following the fiscal year in which the term of this Agreement commenced or in any fiscal year thereafter, Tenant shall pay to Landlord as additional rental that portion of any tax increase which equals the ratio of the space occupied by Tenant (~~2173~~ square feet) to total leasable space of the office building (~~40,000~~ square feet).

Section 5. In the event that the expenses of Landlord with respect to the operation and maintenance of the entire premises owned or leased by it at Main Street & Baltimore Pike required to be performed under the terms of this Agreement are increased in any calendar year over and above those which are actually paid in the preceding calendar year as evidenced by audited financial statements of Landlord, Tenant shall within 30 days after receiving notice of said increase from Landlord pay to Landlord as additional rental that portion of any annual increase in expenses which equals the ratio of the space occupied by Tenant (~~2173~~ square feet) to total leaseable space of office building (~~40,000~~ square feet). The term "expenses" as used herein shall be deemed to include all customary operation and maintenance costs (including ground rent, utilities, janitorial service, building supplies, normal repair and maintenance, normal painting, window washing, care of grounds and parking lot, snow removal, rent of management office, salary of secretary and other items reasonably relating thereto) excluding depreciation, real estate and income taxes and items of overhead except as specified.

Section 6. Tenant shall, without previous demand therefor, pay to Landlord or its Agent, the specified rent at the times and in the manner provided, and in case of nonpayment of said rent or in case the leased premises shall be deserted or vacated, Landlord shall have the right to enter the same by force or otherwise, and to distrain for rent, and also to re-let the premises as the Agent of Tenant, and receive the rent therefor, applying the same to the payment of the rent due under this lease, and holding Tenant liable for any deficiency. Tenant also agrees that all property on the premises and for thirty days after removal therefrom shall be liable to distress for rent and waives the benefit of all laws exempting any of Tenant's property from levy and sale either on distress for the rent or on a judgment obtained in a suit therefor.

Section 7. The premises, or any part thereof, shall not be assigned, let or sublet, nor used or permitted to be used for any purpose other than above mentioned, without the written consent of Landlord, or its duly authorized Agent, first endorsed hereon, and if so assigned, let or sublet, used or permitted to be used, without such written consent, Landlord may re-enter and relet the premises, this lease, by such unauthorized act, becoming void if Landlord shall so determine and elect. Landlord may also apply for and obtain an injunction to prevent the use of the demised premises for any purposes other than those herein specified, and Landlord shall not be precluded from any legal remedy which it would otherwise have by reason of the specification herein of any particular remedy for any specified breach of the covenants or conditions of this lease, and in case of the assignment of this lease or for any part of the same, or any subletting, Landlord shall have a lien upon and shall be hereby empowered to collect any rent accruing from a sub-tenant or assignee, and apply the net amount collected to the rents herein reserved. Any lawful levy or sale on execution or other legal process, and also any assignment or sale in bankruptcy, or insolvency, or under any compulsory procedure, shall be deemed an assignment within the meaning of this lease.

Section 8. Tenant shall take good care of the premises and fixtures, make good any injury or breakage done by Tenant or the agents, employees, or visitors, of Tenant and any damage caused by the overflow or escape of water, electricity or gas resulting from the negligence of Tenant, or the agents, employees, or visitors of Tenant. Tenant shall quit and surrender the premises at the end of the term in as good condition as the reasonable use thereof will permit, and shall not make any alterations, additions, or improvements in the premises without the written consent of Landlord, and all alterations, additions or improvements which may be made by either of the parties hereto upon the premises, except movable office furniture put in at the expense of Tenant, shall be the property of Landlord, and shall remain upon and be surrendered

with the premises, as a part thereof, at the termination of this lease, without distribution, molestation or injury, but injury caused by moving said movable furniture in and out shall be repaired by Tenant.

Section 9. Tenant shall in case of fire give immediate notice thereof to Landlord, and in case said office or offices hereby leased, or the building of which the same is part, shall be partially damaged by fire or other element, the same shall be repaired with due diligence at the expense of Landlord; in case the damage be so extensive as to render said office or offices hereby leased untenable, the rent shall cease until such times as the office or offices hereby leased and the means of access to it shall be put in repair. In case of the total destruction of the said building containing said office or offices hereby leased, by fire or otherwise, the rent shall be paid up until the time of such destruction, and then and from thenceforth this lease shall cease and come to an end, provided, however, that such damage or destruction be not caused by the carelessness, negligence or improper conduct of Tenant. Nothing contained herein shall require Landlord to reconstruct or repair the building or the demised premises in the event of fire or other casualty which renders the demised premises untenable. Landlord shall not be liable in any respect for damages to property of Tenant or for other injuries and damages arising by reason of inconvenience or annoyance arising from the necessity of repairing any portion of the building, however, the necessity may occur.

Section 10. Landlord will cause the demised premises to be cleaned, and generally cared for by the janitor of the building. Passenger elevator service will be furnished by Landlord. Landlord will furnish to Tenant air conditioning throughout the year so designed as to provide either cooled or heated air when either are deemed necessary by Landlord, and will furnish throughout each year a reasonable amount of electricity for lighting said premises. In consideration of the fact that no extra charge is made for these services, Landlord shall not be liable for any delay or failure to supply the same not due to gross negligence on its part and shall not be liable for any damages caused by failure to supply same. Landlord reserves the privilege of stopping the service of the water, air conditioning, elevator or light systems at such times as may be necessary by reason of accidents, repairs, alterations or improvements desirable or necessary to be made, until such times as said repairs, alterations, or improvements shall have been completed. All such services and utilities shall be furnished during normal business hours.

Section 11. It is further agreed that in the event of strikes, any action of the Federal or State governments, the Acts of Providence, or for any other cause beyond the control of Landlord whereby fuel or power to produce heat, light, elevator or other service cannot be secured. Landlord will not be held responsible for the discontinuance of such service, nor will the rent cease during such periods of interruption.

Section 12. Landlord shall not be responsible for any damage to the demised premises, or any person or property therein, by reason of leaks of water, snow, gas or electricity, or by fire or water used in extinguishing same, but will cause the defects to be remedied with due diligence after receiving written notice thereof; and shall at all times have the right and be authorized to give license to enter upon and occupy the demised premises for the purpose of protecting or preserving the same, or any part thereof; or the building containing the same, or any part thereof; or for making repairs or necessary alterations in or to said premises or building.

Section 13. Tenant covenants that the following rules and regulations shall be faithfully observed and performed by it and its agents, employees and visitors. In case of violation of the aforesaid covenants, agreements and conditions, or of the rules and regulations incorporated herein, and which are made a part of this Agreement, or any rules hereafter to be reasonably established, or any of them, by Tenant, this lease shall thenceforth (at the option of Landlord) become null and void, and Landlord may re-enter without notice or demand; and rent in such case shall become due, be apportioned and paid on and up to the day of such entry; and Tenant hereby expressly waives all rights to any notice to quit possession or of intention to re-enter, anything in this lease to the contrary notwithstanding; and Tenant shall be liable for all loss or damage resulting from such violation as aforesaid.

RULES AND REGULATIONS

a. The sidewalk, entry, elevators, passages, halls or staircases shall not be obstructed or used for any other purposes than for passage to and from the premises.

b. The sashes, sashdoors, windows, or any of the glass panels that reflect or admit light into any part of the building shall not be covered or obstructed. If Tenant desires any shades to be provided at Tenant's expense, they must be of such uniform shape, color, materials and make as may be prescribed by Landlord.

c. The rest rooms and facilities thereof shall not be used for any purpose other than that for which they are intended, and the expense of any breakage, stoppage, or damage resulting from a violation of this rule shall be borne by Tenant whose agents, employees or visitors shall have caused it.

d. No Tenant, or its agents, employees or visitors shall mark, paint, drill or drive into or in any way deface the walls, ceilings, partitions, floors, wood, stone, iron work or other part of the building.

e. No sign, advertisement or notice shall, without the prior written consent of Landlord first obtained, be inscribed, painted or affixed on any part of the outside or inside of the building, except on the sashdoors of rooms; and all signs, advertisements or notices shall be of size, color and style such as Landlord shall determine. Directories shall be lettered by Landlord at its expense.

f. No Tenant shall do, or permit anything to be done, in said premises, or bring or keep anything therein which will in any way increase the rate of fire insurance on said building, or on the property kept therein, or obstruct or interfere with the rights of the other tenants, or in any way injure or annoy them, or conflict with the regulations of the Fire Department, or the fire laws, or with any insurance policy upon said building or part thereof, or with any rules and ordinances established by the Board of Health.

g. If Tenant desires telegraphic or telephone connections, Landlord will direct the electricians as to where and how the wires are to be introduced, and without such direction no boring or cutting for wires will be permitted.

h. Landlord shall in all cases retain the power to prescribe the weight and proper position of iron safes or other heavy objects in the building; and the bringing in of said safes, all furniture, fixtures, or supplies, the taking out of said articles, and the moving about of said articles within the building, shall only be at such times and in such manner as the Manager of the building shall designate; and all damage caused by any of the before mentioned operations, or by any of the said articles during the time they are in the building, shall be made good and be paid by Tenant who shall own them.

i. The janitor will take charge of the leased premises and keep the same clean without cost to Tenant; but Tenant shall not cause unnecessary labor by carelessness or indifference to the preservation of good order and cleanliness.

j. And no person or persons other than the said janitor and his assistants will be permitted to enter the said premises for the purpose of caring for or cleaning the same.

k. Landlord or his agents shall have the right to enter any of the leased rooms at all times to examine the same, to make such alterations and repairs as may be deemed necessary, or to exhibit the same; and to put upon them the usual notice "To Let" during the three months next preceding the time of expiration of the lease of the premises, which said notice shall not be removed by any Tenant.

l. Nothing shall be thrown by Tenant, its agents, employees, or visitors, out of the windows or doors or down the passages of the building, and Tenant shall not make or permit its agents, employees, or visitors to make or commit any indecent or improper acts or any improper noises in the building or interfere in any way with other Tenants, or those having business with them. Nor shall any animals or birds be brought or kept in or about the building.

m. Each Tenant must upon the termination of the within lease, restore any and all keys of the building to Landlord.

n. Landlord reserves the right to make such other and further rules and regulations as in the judgment of Landlord may from time to time be needful for the safety, care and cleanliness of the premises, and for the preservation of good order therein.

Section 14. Landlord shall not be responsible to any Tenant for any loss of property from said leased premises or damage done to furniture or effects belonging to any Tenant, however occurring.

Section 15. Tenant will indemnify Landlord and save it harmless from and against any and all claims, actions, damages, liability and expense in connection with loss of life, personal injury and/or damage to property arising from or out of the occupancy or use by Tenant of the leased premises or any part thereof or any other part of Landlord's property, or occasioned wholly or in part by any act or omission of Tenant, its agents, contractors or employees.

Section 16. Upon the expiration of this lease, or any renewal thereof, Tenant shall have no right to continue in occupancy of the leased premises without the prior written consent of Land-

lord. In the event that Tenant shall continue in occupancy for any reason, Tenant shall be responsible to Landlord for the payment of rent and the observation of the terms and conditions of this Agreement during the period while Tenant remains in occupancy. Nothing contained herein shall be deemed to permit Tenant to remain in occupancy after the expiration of the original term, or any renewal thereof, nor shall it be deemed to limit liability of Tenant to Landlord for any failure to vacate the leased premises.

Section 17. This lease is subject to the operation and effect of all present or future ground leases, mortgages or deeds of trust affecting the said building or the land covered thereby or used in connection therewith.

Section 18. All rights and liabilities herein given to or imposed upon either of the parties hereto shall extend to the heirs, executors, administrators, successors, and, so far as the same is assignable by the terms hereof, to the assigns of such party. It is understood that Landlord is a Maryland limited partnership and that no general or limited partner of said partnership, as it may now or hereafter be constituted, shall have any personal liability to Tenant or any person claiming under, by or through Tenant upon any action, claim, suit or demand brought pursuant to the terms and conditions of this Agreement or arising out of the occupancy by Tenant of the leased premises.

Section 19. It is further agreed that either party hereto may terminate this lease at the end of the said term, or any renewal thereof, by giving the other written notice thereof at least sixty days prior thereto, but in default of such notice this lease shall continue upon the same terms and conditions as are herein contained for a further term of one (1) year, and so on from term to term until terminated by either party as hereinbefore provided, and it is further agreed that said notice shall be void and of no effect (at the option of the Landlord) unless the said premises shall at the expiration of said notice be delivered to the Landlord.

Section 20. Special Conditions:

IN WITNESS WHEREOF, Landlord has hereunto caused this Agreement to be signed by a general partner thereunto duly authorized, and Tenant has signed and sealed these presents, the day and year first above written.

THIS LEASE AGREEMENT, made this day of , 197_, by and between JAMES D. KONSTANT and ATHENA KONSTANT, his wife, and ANTHONY J. KONSTANT, hereinafter collectively referred to as "Landlord", and HARFORD COUNTY, MARYLAND, a body corporate and politic of the State of Maryland, hereinafter referred to as "Tenant".

PREMISES LEASED

In consideration of the rents and covenants herein set forth, the Landlord does hereby lease unto the Tenant, and the Tenant does hereby rent from the Landlord:

All that one story building erected on 19 North Main Street, in Bel Air, Maryland, fronting twenty (20) feet on said street and extending back therefrom for an approximate depth of one hundred (100) feet.

TERM OF LEASE

The term of this Lease shall be for a period of one (1) year beginning on July 1, 1979, and ending on the thirtieth (30th) day of June, 1980, and for an annual rental of Six Thousand Six Hundred Dollars (\$6,600.00) per year, to be paid in advance in equal monthly payments of Five Hundred Fifty Dollars (\$550.00) per month to be paid on the fifteenth (15th) of each and every month.

RENEWAL

The Tenant is hereby granted the right and option to renew this Lease on all the terms and conditions as herein set

forth for two (2) additional terms of six (6) months each. If the Tenant shall elect to exercise the right of renewal, it shall give written notice to this effect to the Landlord not less than two (2) months prior to the expiration of the existing term.

USE

Said premises shall be used for the purpose of office space for the County Government and for other related purposes.

TAXES

The Landlord does hereby agree to be responsible for all taxes levied on the real estate hereby leased. The Tenant shall be responsible for all personal property taxes levied against stock, equipment and fixtures that may be used in conjunction with the Tenant's business.

INSTALLATION OF FIXTURES AND EQUIPMENT

The Tenant shall have the option, at its own risk, to install its fixtures and equipment providing the Tenant does not alter or in any manner damage the demised premises and may remove the same at the expiration of the term.

PAYMENT OF RENTAL

The Tenant agrees to pay the rent aforesaid to the Landlord, and if said rent or any part thereof shall be in arrears at any time, the Landlord may distrain therefor. If said rent or part thereof shall be in arrears and unpaid for a period of ten (10) days, or if Tenant shall fail to comply with any covenant, condition or agreement of this Lease, or if the premises shall

appear to be vacant or abandoned, then in any of said events, the Landlord may, at its option, re-enter and resume possession of the premises, and declare this Lease, and the tenancy hereby created, terminated, and may thereupon remove all persons and property from the premises, all with or without resort to process of any court, and by force or otherwise; and Tenant further agrees that notwithstanding such termination, it shall remain liable for any rent due or accrued to Landlord or damages caused to Landlord prior thereto, and Tenant shall further be liable, as liquidated damages for the breach of covenant, to pay to Landlord the amount of rent reserved under this Lease at the times herein specified for the payment of rent for the unexpired period of this Lease, less such amount Landlord may receive from others to whom the premises may be rented from time to time, from which amounts Landlord shall first be entitled to deduct all expenses incurred in recovering possession of, decorating and reletting premises, including all attorney's fees incurred by Landlord in such connection, but Tenant shall not be entitled to any excess of such amounts received from others over the liability of Tenant hereunder; and it shall be within the sole discretion of the Landlord to determine to whom, or whether to anyone, the premises shall be so rented, the amount of the rent and all other terms and conditions of said renting, and the period or periods thereof, whether less than, equal to or beyond the aforesaid unexpired term of this Lease.

The Landlord understands and agrees that the rental for the aforementioned property shall be paid from CETA funds from the Federal Government. Should said funds terminate, for any reason, the parties hereto agree that this Lease shall become null and void with no liability on the part of the Tenant for future rent.

RIGHT OF ENTRY

The Landlord shall have the right to enter the premises at any time by master key or by force, if necessary, to inspect the same, to make repairs required therein or elsewhere in Landlord's property, and to enforce any provisions of this Lease. The Tenant will not change the locks on the doors of the building or install additional locks, chains or other fasteners without prior written permission from the Landlord. The Tenant agrees to comply and to procure the compliance of employees and visitors with these regulations and with all other reasonable regulations for the administration of Landlord's property which Landlord may hereafter adopt, with notice thereof to all tenants of the building containing the premises. Landlord shall be under no obligation to enforce the regulations or lease provisions against other tenants.

ALTERATIONS

Tenant will not alter exterior or interior of said premises and will not make any structural alteration to the premises or any part thereof without first obtaining Landlord's written approval of such alterations, and the Tenant agrees that any improvements made by it shall immediately become the property of the Landlord and shall remain upon the premises. Landlord shall be responsible for the escalation of one partition, installed in accordance with specifications provided by the Tenant.

SIGNS

The Tenant will not cause to be erected, posted or affixed upon the premises demised, any sign whether it be in conjunction with the business of the Tenant's name or otherwise, without first obtaining Landlord's written approval of said sign.

MAINTENANCE OF PREMISES

The Tenant will keep the inside of its premises clean and will repair the same at its own cost and expense, and will replace promptly, at its own expense, any part of the interior premises which is in need of maintenance. Tenant shall further keep the sidewalk in front of its portion of the premises in a clean condition and shall be responsible for the removal of snow and ice from that portion of the sidewalk.

Landlord shall maintain the roof and exterior of the demised premises and will maintain the air conditioning, plumbing and heating systems within the premises.

UTILITIES

The Tenant covenants and agrees to pay all charges for gas, electricity, water and all fuel consumed in heating the demised premises.

INSURANCE

The Tenant will keep in force at its own expense, so long as this Lease, or renewal thereof, remains in effect, public liability insurance in companies acceptable to the Landlord with respect to the premises in form satisfactory to Landlord covering both Landlord and Tenant, as insured, with minimum limits of One Hundred Thousand Dollars (\$100,000.00) on account of bodily injuries to or death of one person, and Three Hundred Thousand Dollars (\$300,000.00) on account of bodily injuries to or death of more than one person as the result of any one accident or disaster, and Fifty Thousand Dollars (\$50,000.00) for property damage; and the Tenant will further deposit with the Landlord the policy or policies of such insurance or certificate thereof. If the Tenant shall not comply, the Landlord may, at its option, cause insurance

as aforesaid to be issued, and, in such event, Tenant agrees to pay the premium for such insurance promptly upon the Landlord's demand.

RIGHT OF INSPECTION BY LANDLORD

The Tenant will permit the Landlord, its agents, employees and contractors to enter the premises and all parts thereof during normal business hours to inspect the same and to enforce or carry out any provision of this Lease.

ASSIGNMENTS AND SUBLETTING

The Tenant will not assign this Lease in whole or in part, or sublet any or all parts of the premises, without the written consent of the Landlord first obtained. Consent by the Landlord to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. The Landlord will not unreasonably withhold its consent to said assignment or sublease, but in any event, the Tenant shall remain fully and primarily responsible hereunder.

DESTRUCTION OF PREMISES

In the event that the premises hereby leased are damaged by fire or other casualty which prevents Tenant's occupancy, the Landlord shall repair or rebuild the damaged improvements to the extent of the insurance proceeds if the damage is less than total. In the event damage of the improvements is total or costs of repair are greater than casualty insurance proceeds payable to the Landlord, then Landlord may notify Tenant that the Lease is

LIBER 5 PAGE 350

terminated during any period of damage, from the date of the occurrence of damage until repairs are completed. There shall be an abatement of rentals due from the Tenant during such period. In the event the Landlord is unable to effectuate repairs within ninety (90) days from the date of casualty, Tenant may terminate the Lease by written notice to the Landlord.

TERMINATION OF LEASE

This Lease and the tenancy hereby created shall cease and terminate at the end of the original term hereof, without the necessity of any notice from either Landlord or Tenant to terminate the same, unless option to renew Lease is exercised as set forth above.

In the event that Federal funding ceases to be available for the payment of the rent under this Lease, this Lease shall become null and void and the Tenant shall be liable for no future rents hereunder.

This Lease Agreement is binding upon and inures to the benefit of the respective parties, their heirs, personal representatives and/or successors and assigns. This Lease Agreement contains the entire agreement between the parties hereto and supersedes any written or oral declarations heretofore made by either of them.

AS WITNESS, the hands and seals of the parties hereto the day and year first above written.

1 Section 7. Be it further enacted by the Harfor y
2 Council that the County Council may, at any time, prior to
3 the public sale of these bonds, by resolutions, change the
4 date of sale, the date of bid opening, the dates of maturity
5 of the bonds and the interest payment dates on the bonds.
6 Section 8. Be it further enacted by the County Council of
7 Harford County, Maryland, That, immediately after the
8 sale of the Bonds, the interest rate or rates payable
9 thereon shall be fixed by a resolution of the Harford County
10 Council in accordance with the terms and conditions of the
11 sale of the Bonds. The Bonds shall thereupon be suitably
12 printed or engraved and duly executed and delivered to the
13 purchaser in accordance with the conditions of delivery set
14 forth in the foregoing Notice of Sale. The proceeds of
15 the sale of the Bonds, including any premium and accrued
16 interest received therefor, shall be paid to the Department
17 of the Treasury of Harford County and shall be deposited in
18 a special account of Harford County, Maryland. Harford
19 County, Maryland may, at its option, deduct from the gross
20 proceeds received from the sale of the Bonds the cost of
21 issuing the same, including the cost of advertising,
22 printing and professional fees (including legal) and expenses.
23 There shall be deducted from the total gross proceeds
24 received from the sale of the Bonds the amount received on
25 account of accrued interest on the Bonds, which amount shall
26 be set apart by the Treasurer of Harford County in a special
27 fund and applied to the first maturing interest coupons
28 of the Bonds. The balance of the proceeds of the sale of
29 the Bonds shall be expended only to finance the Water and
30 Sewer Projects as set forth in this Ordinance and as more
31 particularly described in the Annual Budget and Appropriation
32 Ordinance of Harford County, Maryland for the years ending

1 June 30, 1979 and June 30, 1980. If the funds derived from
2 the sale of the Bonds shall exceed the amount needed to
3 finance said Water and Sewer Projects, the excess funds
4 so borrowed and not expended by the County Council shall
5 be applied by the County in payment of the next principal
6 maturity of the Bonds so issued, unless the County Council
7 shall adopt a resolution allocating said excess funds to
8 finance any lawful modification of such projects, or to
9 the extent then permitted by law, any other project lawfully
10 undertaken by Harford County, Maryland as may be provided
11 by subsequent resolution or resolutions approved by the
12 Harford County Council.

13 Section 9. Be it further enacted by the County Council of
14 Harford County, Maryland, That , for the purpose of paying
15 the interest on and principal of the Bonds authorized by
16 this Ordinance, the Council shall fix an annual assessment
17 on all properties, improved or unimproved, binding upon a
18 street, road, lane, alley or right-of-way in the Harford
19 County in which a water main or sewer has been built. The
20 said annual assessment shall be made upon the front foot
21 basis, and the first payment shall be collected during
22 the year in which the construction of the aforesaid water
23 supply or sewerage systems is completed or in which the
24 systems are purchased or acquired. The front foot benefit
25 assessments to be levied as provided for in this Ordinance
26 shall be imposed in accordance with the terms and conditions
27 of the Harford County Charter and Code.

28 In addition to the benefit assessments to be
29 levied as provided for herein, the Council shall make a
30 charge for every sewer and water connection. These
31 connection charges shall be made pursuant to the provisions
32 of the Harford County Charter and Code.

1 In addition to the benefit assessments and
2 connection charges to be levied as provided for herein, the
3 Council shall impose water and sewer service charges and
4 (where the property is not subject to a front foot benefit
5 assessment for the year in which such charge is levied) a
6 charge for the construction and upkeep of water and sewer
7 systems against all properties having a connection with any
8 water main or sewer within Harford County. These service
9 charges and upkeep charges shall be imposed pursuant to the
10 provisions of the Harford County Charter and Code. In the
11 event that the annual front foot benefit assessments,
12 connection charges, service charges and upkeep charges fail
13 to provide sufficient funds at any time while any of the
14 Bonds are outstanding for the purpose of meeting the
15 principal and interest maturities of the Bonds, the County
16 shall promptly cause to be levied against all assessable
17 property within Harford County annually so long as any of
18 the Bonds are outstanding and not paid an ad valorem tax
19 sufficient in rate and amount to provide for such principal
20 and interest payments when due. Such tax shall be levied
21 in accordance with the Harford County Charter and Code.
22 Harford County, Maryland, by the passage of this Ordinance
23 hereby covenants and agrees properly and promptly to perform
24 all of the respective acts and duties defined in the Act for
25 the levy and collection of the aforesaid ad valorem tax
26 (except as such taxes may be limited under Section 515(b)
27 of the Harford County Charter, which expires on
28 December 15, 1980, providing that the Harford County
29 Council shall not levy property taxes resulting in a
30 total collection of property taxes greater than the taxes
31 so collected for the fiscal year ending June 30, 1979,
32 adjusted by increases in the Consumer Price Index For

1 Urban Wage Earners and Clerical Workers and the percentage
2 change in the population of the County for the previous
3 calendar year and as of January 1 in each budget year,
4 respectively), upon all the assessable property within the
5 corporate limits of Harford County, Maryland, as the levy and
6 collection of such a tax becomes necessary in order to meet
7 the debt service requirements of Harford County Public Works
8 Bonds of 1980. By this Act, the Harford County Council hereby
9 solemnly covenants and agrees with each of the holders,
10 from time to time, of any of the Harford County Public Works
11 Bonds of 1980 to do the following: (a) levy and collect
12 the benefit assessments, connection charges, water and
13 sewerage service charges and charges for the upkeep for
14 water and sewerage systems as provided in this Act; (b)
15 apply to the payment of the maturing principal of and
16 interest on the Bonds, in each year in which any of the
17 Bonds are outstanding, all funds received by the County
18 from benefit assessments, connection charges, service and
19 upkeep charges and taxes levied by the County Council of
20 Harford County to pay such principal and interest, to the
21 extent that such funds and taxes are necessary to meet
22 said principal and interest maturities; and (c) to take
23 all action which the Harford County Council may be legally
24 authorized and empowered to take in order to enforce, in
25 any year in which any of the Bonds are outstanding, the
26 guarantee of such Bonds by Harford County.

27 Section 10. Be it further enacted by the County Council
28 of Harford County, Maryland, that this Act shall take
29 effect on the date it becomes law.

30 EFFECTIVE: December 17, 1979 The Secretary of the Council does hereby
31 certify that fifteen (15) copies of this bill

RECITALS

Sections 266A through 266-I, inclusive, of Article 41 of the Annotated Code of Maryland (1978 Replacement Volume and 1979 Cumulative Supplement) (the "Industrial Development Bond Act") and Sections 266J through 266CC, inclusive, of Article 41 of the Annotated Code of Maryland (1978 Replacement Volume and 1979 Cumulative Supplement) (the "MIDFA Act") constitute those provisions of Maryland law authorizing the issuance of limited governmental obligations by all the counties and municipalities of the State of Maryland (the "State") for the purposes, among others, of financing certain projects. The Industrial Development Bond Act and the MIDFA Act are hereinafter referred to as the "Acts".

The Industrial Development Bond Act declares it to be the legislative purpose to relieve conditions of unemployment in the State, to encourage the increase of industry and a balanced economy in the State, to assist in the retention of the existing industry in the State through the control, reduction or abatement of pollution of the environment (where the proceeds of such obligations are used for such purpose), to promote economic development, to protect natural resources, and in this manner to promote the health, welfare and safety of the residents of each of the counties and municipalities of the State. The MIDFA Act declares it to be the legislative purpose to provide enlarged opportunities for gainful employment by the people of the State and thus to insure the preservation and betterment of the economy of the State; to promote the expansion and diversification of industry, to avoid the relocation of industry from the State, to increase employment, and to provide a larger taxable base for the economy of the State, and thus improve the welfare of the public of the State.

1 Section 266H-1 of the Industrial Development Bond Act pro-
2 vides that, as an alternative procedure to acquiring an "indus-
3 trial building" and either leasing or selling such "industrial
4 building" to an "industrial concern", a municipality or county
5 may issue revenue bonds and loan the proceeds of the sale of
6 such revenue bonds to an "industrial concern" to finance
7 the acquisition by such "industrial concern" of an "industrial
8 building". Such revenue bonds shall be repayable solely from
9 revenues derived from loan payments (both principal and inter-
10 est) made to the municipality or county by such "industrial
11 concern". Section 266WA of the MIDFA Act provides that an
12 "industrial project applicant" shall have the option of becom-
13 ing the "mortgagor" in lieu of a county or municipality as
14 provided under Section 266W of the MIDFA Act, and that, in
15 the event the "industrial project applicant" elects to become
16 the "mortgagor", the transaction shall take the form of a loan
17 of the proceeds of the borrowing by the municipality or county
18 to the "industrial project applicant".

19 Harford County, Maryland (the "County"), has determined
20 to issue, sell, and deliver its limited obligations pursuant
21 to the Acts (the "Obligations") in an aggregate principal
22 amount not exceeding \$4,000,000 and to loan the proceeds of
23 such Obligations to Hazleton Laboratories Corporation, a
24 Washington corporation, and an "industrial concern" (as
25 defined in the Industrial Development Bond Act) and an
26 "industrial project applicant" (as mentioned in the MIDFA Act)
27 (the "Concern"), on the terms and conditions to be set forth
28 in a Loan Agreement to be executed pursuant to this Ordinance
29 and the resolutions adopted upon the authority of this
30 Ordinance, in order to finance the acquisition by the Concern
31 of an "industrial building" and an "industrial project" (as

1 each term in quotations is defined in the Acts) (the "Project"),
2 and thus to fulfill the legislative purposes of the Acts.

3 The Project will consist of the acquisition and construc-
4 tion of (i) a 152,000 square foot building or structure, (ii)
5 necessary or useful machinery and equipment to be used in
6 connection with the use of such building or structure, and
7 (iii) ~~32-acres, more or less,~~ A TRACT of land necessary or
8 desirable for the building or structure, together with roads,
9 or other rights of access, utilities, and other necessary
10 facilities. The Project shall be used by the Concern for the
11 manufacture of biological research and clinical care equipment
12 and of special order metal products.

13
14 This Ordinance authorizes a transaction which the Concern,
15 an "industrial concern" (as defined in Section 266A(h) of the
16 Industrial Development Bond Act) and a "prospective industrial
17 project applicant" (as mentioned in Section 266W(a) of the
18 MIDFA Act), proposed to the County by a letter of intent dated
19 February 19, 1980, AS SUPPLEMENTED BY A LETTER DATED MARCH 18,
20 1980 (the "Letter of Intent") and submitted in accordance with
21 Section 266B(d) of the Industrial Development Bond Act and
22 Section 266W(a) of the MIDFA Act. It is intended that this
23 Ordinance constitute an ordinance or resolution adopted by the
24 legislative body of the County within the meaning of Section
25 266B(d) of the Industrial Development Bond Act and Section
26 266W(a) of the MIDFA Act.

27 Section 1. Be It Enacted By The County Council Of Harford
28 County, Maryland, That acting pursuant to Acts, it is hereby
29 found and determined as follows:

30 (a) The issuance of the Obligations by the County pursuant
31 to the Acts in order to loan the proceeds to the Concern for the

1 sole and exclusive purpose of financing the Project, an
2 "industrial building" within the meaning of the Industrial
3 Development Bond Act and a "bona fide industrial project" as
4 approved by the Maryland Industrial Development Financing
5 Authority (the "Authority") within the meaning of the MIDFA
6 Act, will facilitate and expedite the Project of the Concern,
7 an "industrial concern" and "prospective industrial project
8 applicant" as defined or mentioned in the Acts, for the
9 purpose of executing the Project as evidenced by the submission
10 of the Letter of Intent.

11 (b) The accomplishment of the transactions contemplated
12 and authorized by this Ordinance, including (without limitation)
13 the Project and the financing thereof, will promote the declared
14 legislative purposes of the Acts through (1) increasing employ-
15 ment and sustaining jobs and employment opportunities, thereby
16 relieving conditions of unemployment in, and providing enlarged
17 opportunities for gainful employment by the people of, the
18 State and the County; (2) encouraging the increase of industry
19 and a balanced economy and promoting the expansion and diversi-
20 fication of industry in the State and the County; (3) promoting
21 economic development; (4) avoiding the relocation of industry
22 from the State and the County; (5) providing a larger taxable
23 base for the economy of the State and the County; thereby pro-
24 moting the health, welfare, and safety of the residents of the
25 State and the County and insuring the preservation and better-
26 ment of the economy of the State and the County. Accordingly,
27 it is in the best interest of the citizens of the County that
28 the County participate in the financing of the Project.

29 (c) In addition to authorizing the County itself to
30 acquire the real and personal property included in the Project

1 and either to lease or to sell such facilities to the Concern,
2 the Acts, as an alternative procedure, authorize revenue obli-
3 gation financing to be accomplished in the form of a loan to
4 the Concern. The loan form of transaction avoids indirect
5 costs and burdens on the County by not requiring any direct
6 involvement by the County in the construction, ownership or
7 administration of such facilities; it permits, however, ample
8 controls to be imposed upon the use of the proceeds of the
9 sale of the Obligations to insure that the public purposes of
10 the Acts and the Obligations are fully accomplished. It is,
11 therefore, in the best interest of the citizens of the County
12 to finance the Project by a loan to the Concern. This Ordinance
13 contemplates and authorizes a transaction in the form of a loan
14 of the proceeds of the Obligations by the County to the Concern
15 rather than a transaction in the form of a lease or sale of
16 the real and personal property included in the Project.
17 Accordingly, this Ordinance and the Loan Agreement hereby
18 authorized will contain such provisions as the County deems
19 appropriate to effect the financing of the Project by the
20 loan form of transaction.

21 (d) Neither the Obligations nor interest coupons (if any)
22 issued under the authority of the Acts shall ever constitute
23 an indebtedness of the County or a charge against the general
24 credit or taxing powers of the County within the meaning of any
25 constitutional provision or statutory limitation and neither
26 shall ever constitute or give rise to any pecuniary liability
27 of the County. The Obligations and the interest thereon shall
28 be limited obligations of the County, and the principal of,
29 redemption premium, if any, and interest on the Obligations
30 shall be payable from, and secured fully and only by a pledge
31 of, the receipts and revenues of the County derived from loan

1 repayments under the Loan Agreement. Such receipts and reve-
2 nues shall be either held, in a separate and special fund, by
3 an independent trustee for the benefit of the holders of the
4 Obligations from time to time, or shall be paid directly to
5 such holder. The principal amount of the loan will be paid
6 directly to, and will be disbursed by, an independent trustee
7 appointed by the County; no such moneys will be commingled
8 with the funds of the County or will be subject to the absolute
9 control of the County but only to such limited supervision and
10 checks as are deemed necessary or desirable to insure that the
11 proceeds of the Obligations are used to accomplish the public
12 purposes of the Acts. The Acts provide that a loan form of
13 transaction thereunder shall not constitute a capital project
14 within the meaning of any charter or statutory provision. The
15 public purposes expressed in the Acts are intended to be
16 achieved by facilitating the Project of the Concern.

17 (e) The County will acquire no interest in the Project,
18 either on its own behalf or for the purpose of creating any
19 security for the Obligation (other than such interest as might
20 be held by parties secured by a mortgage lien granted by the
21 Concern); the security for the Obligations shall be solely and
22 exclusively (1) the pledging and setting aside of the revenues
23 received by the County from the absolute, irrevocable, uncondi-
24 tional obligation of the Concern to make the payments required
25 by the Loan Agreement and any and all moneys realized from any
26 collateral pledged from time to time for the loan, and (2) any
27 full and unconditional guaranty of the payment of the principal
28 of, redemption premium, if any, in interest on the Obligations.
29 Accordingly, this Ordinance definitely fixes and determines
30 that the amount of revenue necessary to be set apart and
31 applied to the payment of principal, redemption premium, if

1 any, and interest on the Obligations is the entire amount of
2 the receipts and revenues of the County to be derived from the
3 loan to the Concern (except for any rights of the County to
4 indemnification and to payments for the County's administrative
5 expenses), including all money realized from any pledged
6 collateral.

7 (f) No part or portion of the receipts and revenues of
8 the County from the loan shall be set aside as a depreciation
9 account (mentioned in the Industrial Development Bond Act)
10 since (1) such a depreciation account would be inconsistent
11 with the loan form of transaction authorized hereby and would
12 place an unreasonable burden on the Concern so as to affect
13 adversely the feasibility of the transaction and thus frustrate
14 the legislative purposes of the Acts, and since (2) a covenant
15 such as that permitted by Section 266G(c) of the Industrial
16 Development Bond Act would be similarly inconsistent with the
17 loan form of transaction authorized hereby if the holders of
18 the Obligations do not obtain or retain any security interest
19 in the Project. Such a covenant is, therefore, a procedure
20 which does not appear to be contemplated by the Industrial
21 Development Bond Act in connection with this transaction if
22 the holders of the Obligations do not obtain or retain any
23 security interest in the Project.

24 Section 2. And Be It Further Enacted, That,

25 (a) In addition to any industrial development revenue
26 bonds authorized to be issued by any other act of the County,
27 the County authorizes the issuance, sale and delivery of the
28 industrial development revenue bonds of the County pursuant to
29 the Industrial Development Bond Act, in an amount not to exceed
30 \$4,000,000, designated "Industrial Development Revenue Bonds

1 (Hazleton Laboratories Project)", subject to the provisions of
2 this Ordinance such bonds to be solely and exclusively payable
3 from, and secured by, the revenue derived from repayments of
4 the loan to the Concern as provided herein, any moneys
5 realized from any collateral pledged to secure repayment of
6 the loan, and any moneys payable pursuant to any guarantee of
7 the repayment of the loan to the Concern or of the bonds, or
8 both. The aggregate principal amount of bonds issued, sold
9 and delivered pursuant to this Ordinance shall not exceed
10 \$4,000,000 unless such amount shall be increased by an ordi-
11 nance supplemental hereto.

12 (b) In the alternative to the issuance of industrial
13 development revenue bonds authorized in paragraph (a) above,
14 the County is hereby fully authorized and empowered to borrow
15 a sum of money pursuant to the MIDFA Act in an amount not to
16 exceed \$4,000,000 to be applied to the Project as herein set
17 forth pursuant to the provisions of the MIDFA Act but only with
18 the approval of, and pursuant to, such appropriate resolutions
19 as the Authority may adopt from time to time in connection
20 with the Project and the Obligations.

21 Section 3. And Be It Further Enacted, That

22 (a) The Obligations authorized by this Ordinance may be
23 issued in one or more series, but in the case of the Obligations
24 issued pursuant to the MIDFA Act, only with the approval of,
25 and pursuant to, such appropriate resolutions as the Authority
26 may adopt from time to time in connection with the Project and
27 the Obligations.

28 (b) If more than one series of Obligations is issued in
29 accordance with paragraph (a) above, it is contemplated that a

1 separate series (which may be evidenced by a single instrument)
2 of obligations (either secured or unsecured) of the Concern
3 evidencing the obligation of the Concern to repay the loan from
4 the County be issued to correspond with, and secure, each such
5 separate series of Obligations to be issued.

6 Section 4. And Be It Further Enacted, That, prior to the
7 delivery or the earlier sale of any series of the Obligations,
8 the County Council for Harford County, Maryland (the "County
9 Council") shall adopt a resolution or resolutions which shall
10 determine whether any series of Obligations authorized by this
11 Ordinance are to be issued pursuant to the Industrial Develop-
12 ment Revenue Bond Act or the MIDFA Act (but, in the case of any
13 series of Obligations issued pursuant to the MIDFA Act, only
14 after the Authority has approved the Project, the terms of the
15 series of Obligations, and such other matters as the Authority
16 deems necessary or appropriate) and, in addition, shall
17 prescribe:

18 (a) the date of maturity of each series of Obligations,
19 but the last maturity of any series of Obligations issued pur-
20 suant to the Industrial Development Revenue Bond Act shall in
21 no event exceed a period of thirty (30) years from the date of
22 such series of Obligations and the last maturity of any series
23 of Obligations issued pursuant to the MIDFA Act shall have a
24 maturity approved by the Authority, but if the Obligations
25 issued pursuant to the MIDFA Act are insured in whole or in
26 part by the Authority, the last maturity of such Obligations
27 shall be not later than twenty-five (25) years from the date
28 of such Obligations, except that any portion of any series of
29 Obligations issued to finance the acquisition of machinery and
30 equipment shall have a maturity not later than fifteen (15)

1 years from the date of such Obligations but in no case beyond
2 the normal useful life of the machinery and equipment, and

3 (b) the other terms of the Obligations, including, but
4 not limited to (1) the principal amount of Obligations to be
5 issued as a series at any one time, (2) the redemption provi-
6 sions, if any, for such series of Obligations, (3) the sinking
7 fund requirement, if any, for such series of Obligations, (4)
8 the interest rate or rates to be paid by the County on the
9 Obligations, but only after the Concern (and the Authority, if
10 such Obligations are issued pursuant to the MIDFA Act) shall
11 have given the County written approval of such interest rate or
12 rates, (5) the dates on which payments of principal and inter-
13 est on the Obligations are to be paid to the holders thereof,
14 and (6) such other terms of, and matters concerning, the
15 Obligations as may be determined from time to time by resolu-
16 tion of the County Council.

17 (c) Any resolution or resolutions adopted pursuant to
18 this Section 4 of this Ordinance shall be deemed to be of an
19 administrative nature.

20 Section 5. And Be It Further Enacted, That the authority
21 to issue the Obligations is intended and shall be deemed to
22 include the authority to issue bond anticipation notes to the
23 extent authorized by Section 12 of Article 31 of the Annotated
24 Code of Maryland (1976 Replacement Volume and 1979 Cumulative
25 Supplement), as amended from time to time (the "Bond Anticipa-
26 tion Note Enabling Legislation"). Reference in this Ordinance
27 to "Obligations" shall include such bond anticipation notes
28 where appropriate. Prior to the issuance, sale and delivery of
29 any series of bond anticipation notes, the County Council shall
30 adopt a resolution or resolutions which shall prescribe the

1 maturity or maturities, interest rate or rates and other terms
2 of such bond anticipation notes and the price or prices at
3 which said notes will be sold. Such bond anticipation notes
4 shall be sold by private negotiation by the County with a pro-
5 spective purchaser or purchasers, as authorized by Section 12
6 of the Bond Anticipation Note Enabling Legislation, unless,
7 upon request of the Concern, such resolution or resolutions
8 provide that such bond anticipation notes shall be sold at
9 public sale.

10 (b) Any resolution or resolutions adopted pursuant to
11 this Section 5 of this Ordinance shall be deemed to be of an
12 administrative nature.

13 (c) In accordance with the Bond Anticipation Note
14 Enabling Legislation, the County hereby covenants to pay any
15 bond anticipation notes issued pursuant to this Section 5 of
16 this Ordinance and the interest thereon from the proceeds of
17 the Obligations in anticipation of the sale of which such notes
18 are issued, and the County hereby further covenants to issue
19 such Obligations when, and as soon as, the reason for deferring
20 the issuance of the Obligations no longer exists. The timely
21 issuance of such Obligations, however, is dependent upon
22 matters not within the control of the County, including
23 (without implied limitation) the existence of a purchaser or
24 purchasers for such Obligations, the time the reason for
25 deferring the issuance of the Obligations no longer exists
26 and the effectiveness of various actions taken by the Concern,
27 its officers, agents and employees.

28 Section 6. And be it Further Enacted, That

29 (a) Unless otherwise provided by the County Council by
30 a resolution or resolutions adopted upon the request of the

1 Concern, the Obligations shall be sold at private (negotiated)
2 sale upon the terms and conditions determined by the County
3 Executive of Harford County, Maryland (the "County Executive")
4 as authorized by this Ordinance.

5 (b) The County Executive is hereby authorized to take
6 all necessary and appropriate steps to effect the sale of the
7 Obligations to an underwriter for such obligations selected by
8 the Concern and approved by the County Executive (and by the
9 Authority if such Obligations are issued pursuant to the MIDFA
10 Act) or to effect the direct placement of such Obligations
11 with one or more financial institutions or other qualified
12 investors (the direct placement with whom shall be subject to
13 the approval of the Authority if such Obligations are issued
14 pursuant to the MIDFA Act), including, but not limited to, the
15 following:

16 (1) To prepare and distribute, in conjunction
17 with representatives of the Concern and the prospective
18 underwriters for or purchasers of the Obligations (and
19 the Authority if such Obligations are issued pursuant to
20 the MIDFA Act), both a preliminary and a final official
21 statement in connection with the sale of the Obligations,
22 if such preliminary official statement and final official
23 statement are determined to be necessary or desirable for
24 the sale of the Obligations; provided however, that any
25 such preliminary official statement shall be clearly
26 marked to indicate that it is subject to completion and
27 amendment;

28 (2) If the Obligations are sold at private
29 (negotiated) sale, (i) to determine the date, time
30 and place when an underwriting or purchase agreement

1 shall be submitted by the underwriters or purchasers
2 of the Obligations, such agreement to specify the
3 interest rate or rates proposed to be paid on the
4 Obligations, the price at which such Obligations are
5 to be sold to such underwriters or purchasers, and
6 such other matters as the underwriters or purchasers
7 and the County Executive may deem necessary or desir-
8 able in order to sell and deliver the Obligations,
9 and (ii) to execute and deliver, as a binding and
10 enforceable obligation of the County, the underwrit-
11 ing or purchase agreement for the Obligations by and
12 between the County and the underwriters or purchasers
13 of the Obligations and to accomplish any and all
14 actions necessary and deemed appropriate by the County
15 Executive to issue and deliver the Obligations to such
16 underwriters or purchasers in accordance with the
17 provisions of this Ordinance and the underwriting or
18 purchase agreement;

19 (3) If the Obligations are sold at public sale,
20 (i) to determine the date, time and place when proposals
21 will be accepted for the Obligations, such proposals
22 to specify the interest rate or rates proposed to be
23 paid on the Obligations, the price to be paid for the
24 Obligations, and such other matters as the Concern and
25 the County Executive may deem necessary or desirable
26 in order to sell and deliver the Obligations and to
27 award the Obligations at public sale to the successful
28 bidder for the Obligations, and (ii) to execute and
29 deliver any and all documents necessary or deemed
30 appropriate by the Concern and the County Executive
31 to consummate the sale of the Obligations at public

1 sale and to accomplish any and all actions necessary
2 or deemed appropriate by the County Executive to
3 issue and deliver the Obligations to such underwriters
4 or purchasers in accordance with the provisions of
5 this Ordinance and the contract of sale with the
6 successful bidder for the Obligations;

7 (4) If the Obligations are to be placed
8 directly with one or more financial institutions or
9 other qualified investors, to specify the conditions
10 under which the Obligations are to be placed directly
11 with such financial institutions or other qualified
12 investors and to approve the terms of any commitment
13 for the purchase of such Obligations, provided, how-
14 ever, that such direct placement and such commitment
15 complies with all applicable securities laws; and

16 (5) In order to insure that such Obligations
17 are issued without cost to the County, to provide for
18 the payment, directly by the Concern, of all costs,
19 fees, and expenses incurred by or on behalf of
20 the County in connection with the issuance of the
21 Obligations, such payments to include (without
22 limitation) compensation to any person (other than
23 full-time employees of the County) performing
24 services by or on behalf of the County in connection
25 with the transactions contemplated by this Ordinance.

26 Section 7. And Be It Further Enacted, That in authorizing
27 the sale of Obligations to finance the Project for the Concern
28 pursuant to the Acts, the County Council may provide that the
29 Obligations authorized by this Ordinance and any other Obliga-
30 tions authorized for such purpose by other ordinances or

1 resolutions may be consolidated and sold as one or more issues
2 or series of Obligations, without regard to the date of adop-
3 tion of any ordinance or resolution authorized in the issuance
4 of such Obligations. The aggregate principal amount of Obliga-
5 tions authorized by this Ordinance may be increased, from time
6 to time, and the description of the Project may be supplemented
7 or modified by ordinances supplemental to this Ordinance.
8 Nothing contained in this Ordinance is intended to require the
9 adoption of an ordinance supplemental to this Ordinance to
10 authorize the deletion of any one or more items of the Project.
11 The County Council may, in its discretion and based upon its
12 determination from time to time, omit any part of the Project
13 to be financed by the issuance of the Obligations pursuant to
14 this Ordinance. It is the purpose and intent of this Section 7
15 that the County be afforded broad discretion in the structuring
16 and scheduling of issued Obligations, whether authorized by this
17 Ordinance or otherwise, to finance a project for the Concern in
18 order that the public purposes of the Acts and this Ordinance
19 may be realized.

20 Section 8. And Be It Further Enacted, That

21 (a) Prior to the delivery or prior to or at the time of
22 the earlier sale of any series of Obligations, the County
23 Council may determine any or all of the following matters
24 administratively by resolution or by other appropriate action,
25 but, in the case of Obligations issued pursuant to the MIDFA
26 Act, only in accordance with such appropriate resolutions as
27 the Authority may adopt from time to time in connection with
28 the Project and the Obligations:

29 (1) the appointment of a trustee for the
30 benefit of the holders from time to time of the

1 Obligations and the provisions of trust between
2 the County and such trustee,

3 (2) the manner of execution, authentication,
4 registration and transfer of the Obligations,

5 (3) provisions for authentication and
6 delivery of the Obligations,

7 (4) provisions for the holding and disburse-
8 ment of the proceeds of the Obligations to be held
9 by the trustee,

10 (5) provisions for creation, holding and
11 disbursement of any other funds and accounts to
12 be held by the trustee,

13 (6) provisions for the application of receipts
14 and revenues derived from the Loan Agreement and
15 from any collateral pledged from time to time by
16 the Concern,

17 (7) provisions for the investment of monies
18 held by the trustee,

19 (8) the details of the procedure for the
20 redemption of the Obligations,

21 (9) remedies for holders of the Obligations
22 in the event of any default as may be defined,

23 (10) the duties, rights and immunities of
24 the trustee,

25 (11) the manner of execution of instruments
26 by holders of the Obligations and the method of
27 proof of ownership of the Obligations,

1 (12) provisions for the modification of the
2 documents securing the Obligations or any resolution
